Dear Steve:

On behalf of myself, the PTG Board of Directors, members and staff, a big thank you for your serving as an instructor at the recent PTG Technical Institute in Kansas City.

Your skills as an instructor help our members improve their ability to properly serve the piano owner. As an instructor you are among a select group of individuals that help PTG accomplish it's core mission of improving the professional competence of PTG members.

I realize the time and financial commitment you make to prepare for the Institute. I heard many good comments from members who participated in PTG's Kansas City Institute. These comments reflect well on the Institute planners and instructors.

As always, I welcome your suggestions for improving next year's PTG Institute in Arlington. Please send your suggestions to our new Executive Director, Dan Hall, at the above address or by e-mail at: [dan@ptg.org](mailto:dan@ptg.org).

With best regards,
